## 2024-2025 Financial Policies

In order to deliver the best possible program to your child, it is important that CHMS receives tuition payments in a timely manner. Thank you for your understanding and cooperation.

- 1. Children's House welcomes all families.** Tuition assistance is available. You may apply through the Grant & Aid portal in your FACTS Tuition account. We also encourage families to apply for assistance through the Child Care Affordability Program; please reach out to the school office for an application.
- 2. Families who enroll two or more children** during the same school year will pay full tuition for the oldest child enrolled, and each additional child will receive a 10% discount.
- 3. The Enrollment Fee is \$650 per child for all students.** It serves as a deposit towards your child's annual tuition. The Enrollment Fee is due at the time you complete FACTS Enrollment. The Fee is non-refundable after August 1, 2024.
- 4. All families are required to create a FACTS Tuition account for online, auto-payment of tuition.**

**FACTS offers four Payment Plans to choose from:**

- a. Pay in Full:** August
- b. Monthly Payments:** August through March. *Note: If a monthly plan begins after August, tuition will be billed in equal monthly payments as determined by the start date of the plan.*
- c. Semi-Annual Payments:** August and December
- d. Quarterly Payments:** August, October, January, and March

*Note: FACTS charges a nonrefundable enrollment fee, either \$25 or \$55, depending on the plan.*

**All tuition payments are due on the 1st or 15th of the month, regardless of the Payment Plan.**

- 5. Once you complete FACTS Tuition, CHMS will set up your 2024-2025 Service Agreement in your FACTS account.** Your Enrollment Fee will be credited towards Tuition charges in this Agreement.
- 6. The overhead expenses of CHMS do not diminish with the departure of students during the year. All families are unconditionally obligated to pay tuition for the full academic year.** No portion of said tuition, paid or outstanding, will be refunded or canceled even in the event of absence, withdrawal, or dismissal, after August 1, 2024, except as specified in the Tuition Refund Plan.
- 7. In view of this unconditional obligation, the Tuition Refund Plan is required for all Payment Plans not paid in full by August 1, 2024 and strongly recommended for all.** The Tuition Refund Insurance Fee is 3.3% of annual tuition and does not cover the full amount of the tuition which may be owed to the school in cases of withdrawal. Any amount not covered is the responsibility of the party or parties specified in the Service Agreement. *The Tuition Refund Plan coverage is: 60% of your child's unused tuition will be refunded if you withdraw your child for medical or non-medical reasons, or 70% of your unused tuition will be refunded if CHMS dismisses your child for any reason. This may result in a refund or substantially reduced balance due, depending on your family's payment plan.*
- 8. Non-Transferability of Tuition & Fees** – Annual tuition fees are not transferable to another child's tuition, registration fees, tuition refund insurance, or other fees.
- 9. Accounts in Arrears** – Delinquent payees may be asked to withdraw a child from CHMS during the school year. A student's enrollment will not be accepted from a parent or guardian whose payments of tuition and fees are in arrears from the previous school year.
- 10. Release of Records** – The school will release a student's records only if and when the student's account is paid in full.
